

Press Release  
January 8, 2009

**Morbark, Inc. adds Nortrax to serve Minnesota, Wisconsin and Michigan's U.P.**

Morbark, Inc., an industry leading manufacturer of forestry and recycling equipment, today announced that Nortrax has been awarded an exclusive dealership to serve the states Minnesota, Wisconsin, and the upper peninsula of Michigan. Nortrax will carry Morbark's complete industrial product line which includes recycling, forestry, and whole tree chipping equipment.

Nortrax has 8 locations across the region where it also represents John Deere Construction, John Deere Forestry and Hitachi Construction Equipment lines. Nortrax will handle sales, service and parts for Morbark at its locations in Bemidji, Grand Rapids and Duluth MN; Eau Claire, Ashland, Monico, and Wausau WI; and Escanaba MI.

Nortrax Vice President, Tim Murphy commented, "We constantly strive to supply our customers the best equipment to meet their specific needs and Morbark has the quality, durability and flexibility to allow us to do just that."

Barry DeLau, Morbark's Midwest Regional Sales Manager added, "Our relationship with Nortrax will allow us to serve the region locally with the exceptional sales, parts and service capabilities delivered by Nortrax people who know their customers' business.

About Morbark:

Morbark, Inc. based in Winn, Michigan has been innovating and manufacturing durable, high performance equipment for the sawmill, forestry, tree-care, and recycling markets for over 50 years. Morbark equipment helps customers to harvest, process, and convert wood and other organic materials into valuable, useful and profitable products. The company produces a full line of Chiparvestors, flails, whole tree chippers, brush chippers, grinders and more. Visit [www.morbark.com](http://www.morbark.com) to learn more.
