FOR IMMEDIATE RELEASE

Morbark Signs Quality Equipment Company to Cover Central Texas

Winn, Michigan (October 11, 2011) – Morbark is pleased to announce it has signed a dealer agreement with Quality Equipment Company to represent the Morbark Tree Care Products line in central Texas. Quality Equipment Company currently operates two branch locations in Texas: Bobcat of San Antonio and Bobcat of Austin.

Founded in 1971, Quality Equipment Company has comprehensive experience in construction and commercial equipment. They maintain an extensive parts inventory and a staff of professional service technicians with the knowledge and expertise required to serve the industry.

“We are pleased with the addition of Quality Equipment Company to our dealer network and believe this will further enhance the level of service, support and availability of Morbark equipment in central Texas,” remarks Casey Gross, Morbark Tree Care Products Sales Manager. “We are looking forward to this new partnership.”

“We feel that we can give Morbark customers a strong dealer presence in the area,” Jim McCrory, President of Quality Equipment Company, explained. “We’re a full-service dealer and our first priority is to make sure the customer succeeds.”

About Quality Equipment Company:

In addition to Morbark Tree Care Products, Quality Equipment Company’s two Texas locations carry a great selection of new and used construction equipment and commercial machinery, including compact

Bobcat excavators, wheel and skid steer loaders, skid steers and backhoe attachments. More information is available at www.qualityequipmentco.net.

About Morbark:

Morbark, Inc., based in Winn, Michigan has been innovating and manufacturing durable, high performance equipment for the forestry, recycling, tree care, and sawmill markets for over 50 years.

Morbark equipment helps customers harvest, process, and convert wood and other organic materials into valuable, useful and profitable products. The company produces a full line of Chiparvestors, flails, whole tree chippers, brush chippers, grinders and more. Visit www.morbark.com to learn more.
